

WILL MAKE APPEAL FOR TRAIL-HITTERS

Gypsy Smith, Jr., Expects Crowd to Walk Cinder Path Tonight.

900 SEATS RESERVED

Ten Big Stoves Keep Tabernacle Comfortable Despite Low Temperature.

Following his sermon on "Life's Shipwreck" at the tabernacle, at Sixteenth and V streets northwest, tonight, Gypsy Smith, Jr., will again extend invitations to converts.

Owing to the great chorus of "Amen's" from the congregation that punctuates his pointed utterances, it is expected a large number of men and women will announce the fact that they have reached a decision to "get right."

The evangelist today said he was feeling fine after his rest yesterday and last night and hoped tonight's services would be one of the best he has held in Washington.

Tabernacle Well Heated.

The Rev. John Carpenter Palmer, chairman of the executive committee which arranged the revival, said the cold weather would not make the tabernacle uncomfortable. He said roaring fires had been kept burning in the ten big stoves in the building and that the structure would be warm tonight. The executive committee is using two tons of coal a day to heat the building.

At tonight's services reservations will be made for 600 men and women representing the Churchmen's League, composed of Episcopalians. Seats also will be reserved for 250 Christian Endeavorers, and fifty church friends of Mrs. John Nelson Mills.

Owing to the reservations for tonight Dr. Palmer today suggested that the general public go to the tabernacle early so as to be sure of obtaining seats.

Collections \$1,120.

The collections thus far taken up at the tabernacle aggregate \$1,120, according to the financial committee's report to Dr. Palmer.

The executive committee members are expecting more generous contributions this week. Dr. Palmer said the committee had to raise \$5,000 with which to defray the cost of constructing the tabernacle and the other expenses incident to the evangelistic campaign. Less than one-fourth of this amount is in hand today. The committee will urge that the remaining \$3,840 needed be contributed as soon as possible so that collections may be discontinued at the services.

Free-Will Offering.

When the \$5,000 is raised, Dr. Palmer said, no further contributions would be requested until the last day of the revival when all the men and women who have attended the services will be allowed to make free-will donations to Gypsy Smith, Jr.

Prof. Forest Cole, choir leader for the evangelist; Mrs. Cole and Miss Laura Hoagland, pianist at the revival services, are in Charlottesville, Va., today, but will return to Washington in time for tonight's services at the tabernacle. They went to Charlottesville to assist in the opening of a Y. M. C. A. campaign there.

HIS DEATH EXAGGERATED.

DULUTH, Minn., Feb. 6.—Two days after he had been declared dead but after heart action had been restored by use of a pulmot, Alex McAlpin walked into hotel headquarters holding up his trousers by both hands and claimed the suspenders he had used to hang himself with in the cell there.

"They won't stay up," he explained. He refused to give his reason for his attempt at death.

MANY HOME PEOPLE NOW DAILY TESTIFY

Washington Citizens Benefited By Plant Juice Give Glowing Testimonials.

"The harm worked by the taking into the system of minerals, opiates, or other poisons, is simply incalculable," said The Plant Juice Man, who has his headquarters at The People's Drug Store, corner of 7th and "E" streets, N. W.

"The Natural Vegetable Medicines are constructive in their action, soothing inflamed tissues, strengthening weak parts, toning up sluggish organs, and gently stimulating them to natural vigor and activity. They build up the health of the whole body. The others, on the other hand, act by substitution; they practically all have violent, irritating, and poisonous properties, and in place of the natural action of the organs, they load it to a violent reaction, which leaves it inflamed and exhausted, and less able than ever to do its proper work. The next time it will depend on the drug, and a habit is formed.

Thousands of people are preserving and building up their health, beauty, happiness, and usefulness by the use of the new herbal preparation, Plant Juice—Nature's peerless remedy. Not a day passes but what signed testimonials are received from joyful people, telling of the great benefit they have received.

Recently, Mr. E. E. Smith, of No. 2614 17th street N. W., a well known Washington cabinet maker, gave the following statement for his mother, Mrs. Martha E. Smith, who has many friends here. He said:

"My mother has suffered with her stomach and kidneys for the past 20 years and all the medicines she had taken failed to give her relief. She had terrible pains after eating, caused by the gas in her system, could not sleep at night and got very weak and completely run down. Her liver was affected and caused her to be very nervous at times. She was constipated and had terrible pains in her back. She was induced by a friend to try Plant Juice and she did so. Not after taking it for several weeks, it has completely relieved her and she feels like a new woman. She is glad to give this public endorsement to it."

TAKES CHARGE OF SEMINARY

Dr. F. E. Farrington Will Head Chevy Chase School.

Dr. Frederick E. Farrington, of the Bureau of Education, will take charge of Chevy Chase Seminary beginning with the fall term in September. It is the intention of Dr. Farrington, who has been in this city for only two years, to change the name of the Seminary to Chevy Chase School. New buildings will be erected, Dr. Farrington said this morning, and every endeavor made to make the school as modern in every respect as any school for girls in the East.

Dr. Samuel M. Barker, who has been principal for fourteen years, will retire with the end of the term.

Dr. Farrington has spent a great many years in study and teaching, both in this country and abroad.

COMMERCE CHANGES.

The Department of Commerce made effective today the following changes in its personnel:

In the Bureau of Standards, Jacob Bassoches, aide at \$900, and Welner L. Christian, laboratory apprentice at \$540, have resigned; Milton S. Van Dusen, laboratory assistant at \$1,200, was promoted to assistant physicist at \$1,380, and Cyril H. Meyers, laboratory assistant, was promoted from \$1,080 to \$1,200.

Mary F. Barry, clerk in the Census Bureau, was promoted from \$900 to \$1,000.

George R. Clayton was temporarily appointed as a plate printer in the Coast and Geodetic Survey at \$700.

Otto N. Forrest was temporarily appointed a clerk in the light house service at Baltimore at \$900.

REBUKES COUCHER 'SUFF' PICKETERS

College President Scores Students Who Joined in White House Demonstration.

BALTIMORE, Feb. 6.—Goucher College girls who went to Washington Saturday to picket the White House as their "bit" of the fight of the Congressional Union for a suffrage amendment to the Constitution were publicly rebuked yesterday morning by President William W. Guth for endeavoring to "rock the ship of state," in such a crisis of the nation and the world.

After briefly stating the burdens under which President Wilson was laboring he said:

"It is with chagrin that I speak of the spectacle before the White House gates on Saturday. When a danger as alarming as our country has ever faced was imminent, when the President was carrying a burden as great as ever was pressed upon the shoulders and soul of any ruler, a few misguided women stood ready to haunt banners in his face and annoy him by their presence. Instead of collegewomen taking part in such a disgraceful proceeding, the college women of our land ought to repudiate it and repudiate it in no unmistakable terms.

"As the public press had not only

declared that Goucher College students would picket the White House on Saturday night, but printed a large picture which five Goucher students allowed to be taken of them, presumably on their way to Washington, I would feel remiss in my duty if I did not speak in disapproval of any such action."

Miss Ida Gatt, a Goucher senior, who led the "pickets" to Washington, was unrepentant after the rebuke, and expressed her delight in being able to take part in the picket work. Mrs. Townsend Scott, chairman of the Maryland branch of the union; Mrs. Donald R. Hooker, president of the Just Government League and other leading suffragists defended the girls' action and said the picketing of the White House would continue.

Among the girls who did picket duty were Miss Hilda Bergner, Miss Phyllis Walker, Miss Shirley Nevin, Miss Julia Brader, and Miss Dorothy Stern, of Alabama, all seniors, and Miss Dorothy Kinney, Miss Helene Clark, Miss Christina J. Lint and Miss Gertrude Levy, members of the Junior class.

Josef Hofmann

Appearing at the Belasco Theater, Wednesday, February 7th

will play for you whenever you wish, if you have his exclusive Columbia Records.

Hofmann has but to touch the keys, and the pianoforte finds a soul. It sings with subtle delicacy, with a sonorous power, a scintillating brilliance that makes Hofmann's Columbia Records pure delights of tone.

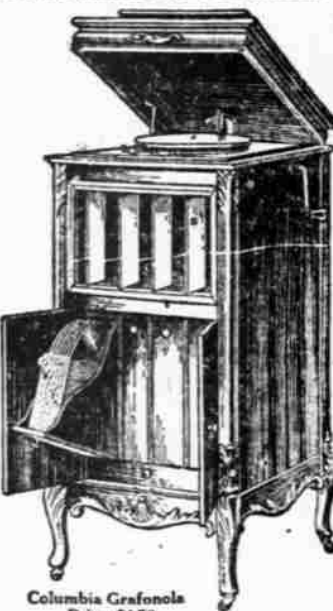

His records of Sternberg's brilliant "Etude in C Minor" and Rachmaninoff's great "Prelude" are absolute revelations to anyone who has not heard recent Columbia triumphs of pianoforte recording.

The same matchless purity of tone is characteristic of Columbia Records by other great figures of the concert-platform—Godowsky, Scharwenka, Kathleen Parlow, Ysaye and Casals.

And to this perfection of tone is added a marvelous definition, a clear separation of instrumental sounds, a glowing richness of ensemble effect in Columbia Records of orchestral, band, and instrumental trio selections.

You can arrange a Columbia recital or symphonic concert that will be quite as enjoyable as the actual performance of the artists. The artists may be absent in person, but they are present in personality in Columbia Double-Disc Records.
